Announcement

The unfortunate condition of Mr. G. R. Peters' health makes it necessary for him to retire from the farm and to dispose of his choice herd of Polled Shorthorns. Mr. Peters has bred Polled Shorthorns for more than twenty-five years and his herd has increased in quality as well as in size during that time.

Most of the cattle in the herd are descendants of a few excellent foundation cows that were purchased a good many years ago. He has used prepotent bulls, of as good breeding as the females, and has bred constructively. The last three bulls in service have been 100% dehorners and there has not been a horned calf dropped on this farm for several years. Every animal now in the herd is polled and will produce polled calves.

Twenty-eight of the cows and heifers have calves at foot that will be sold with them. The herd is healthy and prolific and one may buy at this sale with the utmost assurance that he is getting first class, well bred cattle in excellent condition of health and productivity. Every animal will be sold to the highest bidder regardless of price. Do not miss this opportunity to buy first class breeding Polled Shorthorns. Those are the profit making kind.

Will Johnson of the Shorthorn World.

Breed Them Hornless

Polled Shorthorns are the most practical and most profitable cattle for Corn Belt farms. Packer buyers pay a premium for fat cattle without horns. Farmer bull buyers prefer the hornless type. Small breeders are buying Polled Shorthorn bulls in order to be able to supply the farmers requirements. This sale provides the greatest opportunity of the year for farmers and breeders. Prices are advancing. Buy before they go too high. The future is bright.

General Information

DATE—Wednesday, September 28, 1938, commencing at twelve-thirty P. M.

LOCATION—The live stock sale pavilion on U. S. Highway No. 6 at Stuart, Iowa. Stuart is forty-two miles west of Des Moines and forty-three miles east of Atlantic and can be reached by paved highways from all parts of Iowa and adjoining states.

GUARANTEE—Every animal in the sale has been tested for Bangs disease and tuberculosis and a certificate of health will be furnished for shipment into any state where required. Twenty-eight of the cows now have calves at foot that will be sold with them. Eleven are heavy with calf. Every female of breeding age has produced a healthy calf within the past twelve months. All cattle are guaranteed to be as represented and as the herd is in a very healthy condition and prolific and has passed recent tests, further guarantees are unnecessary.

MAIL BIDS—You are invited to attend the sale and to inspect and appraise these cattle. If you wish to buy but cannot arrange to attend, you may send bids to the sale manager, Will Johnson of the Shorthorn World; to J. E. Halsey or Matt White of Wallaces' Farmer; or to G. R. Peters, the owner. All bids will be handled in your interests.

PEDIGREES—A long form transferred certificate of registry will be furnished with every lot sold. A signed application will be provided for each calf sold at foot with its dam and for every unborn calf sold in dam.

THE CATTLE—This is the biggest and most prolific herd of Polled Shorthorns that will be sold by auction this year. You cannot do better than to buy at this sale.

G. R. Peters, Owner

Will Johnson, Sale Manager

J. E. Halsey, Auctioneer.

M. T. White, Fieldman.
